FOGGY DAYS ARE HERE AGAIN!

Dear Parents: Effective 2005-2006

The following radio stations will inform you IF there is a delay in transportation.

KHOP 95.1	Hawk 104.1	KATM 103.3
KOSO 93.1	KJSN 102.3	KBYN 95.9

The radio stations will report bus delays due to the fog. If the report given tells you, for example, that there is a one-hour fog delay for Salida Union School District, then expect the bus to arrive at your child's bus stop one hour later than usual.

If at all possible, you may want to transport your child to school on foggy mornings. As you know, the bus stops are not supervised and students arriving early would have to wait in the fog.

If you have any questions, please contact the Transportation Department at (209) 545-1368. We appreciate your understanding.

Sincerely,

Ben Cole
Transportation Supervisor
